

We are **PLANTING CHURCHES** in Oceanside, CA!

God has led the Coddington Tribe to Southern California to plant churches! We crossed the continent wondering what God had in mind, and we are excited to share with you what He has been doing. Oceanside is in northern San Diego County and is located between LA and San Diego.

Why **OCEANSIDE?**

The population of Southern California is one of the **least church areas** in the US. Researchers estimate that only 14% attend a church. Oceanside is half that at 7%. **Healthy churches are desperately needed.** We are on staff with New Song Community Church to plant multiple churches.

Oceanside is broken into 16 zones.

Our goal is to plant a church in each zone so that **no one will be beyond** walking distance of an outreach-oriented church. New Song was planted in Oceanside 20 years ago and it is with her resources we are beginning this challenge.

Our leadership team will work together build these churches. Each church will hear a **consistent, Spirit-led and team-created message.** In Oceanside we want people to come to know Christ and grow in their walk with Him. Period. But that is not the end of the vision.

Our **UNIQUE** Approach.

Oceanside, CA in 16 Zones

While planting these churches, we will be creating a **leadership laboratory**, where people from all over the world can come and get hands-on experience planting churches.

How Do **WE** Fit In?

Our family has been on a journey for quite some time. Through medical, financial, geographical and many other trials, **God has brought us** to Oceanside. His providence and glory have been displayed all along the way. He has proven over and over that **this is His story** and the five of us are just participants in it.

We're excited to have this opportunity and would love to share more details about our journey with you personally. Just call, write or ask!

The **CODDINGTON** Tribe

Wes will be the church planting pastor. He will oversee the vision, teaching and equipping of the team while helping develop the local/global vision.

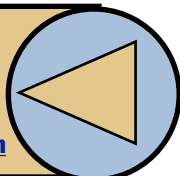

Karen will oversee the Children's Ministry. She will work with a team to ensure that families with children have the support they need to meet Christ and grow.

Dakota & Kadin have been trained by New Song to run tech. They currently run lights/sound/video for the Children's Ministry. They will run tech and train others to do so.

Kasey will use her cuteness to bring people to Christ. There is no predetermined role for her yet, but please pray. God will use her for His purposes!
